Hindi is an alphabet writing based on the abugida system in which consonants are the main element, with vowel notation being secondary. While in the English alphabet (derived from Latin), vowels and consonants have an equal importance, the Hindi alphabet writing uses modifications of the consonants to indicate vowel sounds.

A Guide to the Hindi Alphabet | Superprof

Learning the Hindi alphabet is very important because its structure is used in every day conversation. Without it, you will not be able to say words properly even if you know how to write those words. The better you pronounce a letter in a word, the more understood you will be in speaking the Hindi language. Below is a table showing the Hindi alphabet and how it is pronounced in English, and finally examples of how those letters would sound if you place them in a word.
