And Skantics
Many years ago J.
B. Phillips wrote an
excellent book
titled Your God Is
Too Small. The
thesis of the book
was that there are
things we consider
impossible because
we think we are too
small, or too weak,

problem with that
line of thinking is
that we are not
figuring God into
the equation. That
thinking is still

In general, Philips argues that we think small. We make God out to be a dictator or an absentee or cruel or simply remade in our own image and subsequently flawed in one way or another. But that's on us, not on Him. We project
